ADOPT

If you are looking for a new four-legged friend, S.A.R.A. has wonderful

rescued shelter animals just waiting for you!

S.A.R.A. Treasures serves as our Cat Adoption Center. When our rescued cats are ready to find their "forever" homes they come to live at the shop where they can meet and greet potential adopters. People love spending time with the kitties in this cozy environment. More than 500 cats have found their new families in this unique way.

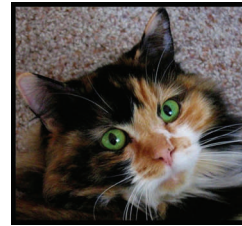

We have found the best way to help save the most shelter dogs is to rescue and then transfer the healthy, young, easily adoptable dogs to humane societies. The older, or more traumatized, dogs are kept for personalized treatment in loving S.A.R.A. foster homes until the best family for each one can be found.

You can view all of our adoptable rescued animals by visiting our website:

HAPPY TAILS

Ginger was rescued from a filthy van, along with 23 other cats, in April 2002 and brought to the shelter in poor health. Although she had some major medical issues, she was nursed back to health by dedicated S.A.R.A. volunteers. Ginger was a resident "shop cat" at S.A.R.A.'s Treasures for over a year until adopted by Melinda and Roy. She is now living the life of a princess in her FOREVER home.

Jessie was purchased as a puppy from a pet store by a family who gave her little time or attention. They allowed her to have a litter of puppies, and when she tried to protect her babies from strangers by nipping

at them, they turned her in to their local animal control to be euthanized. Rescued by S.A.R.A., she proved to have so many special needs that her foster family adopted her, ensuring that she would never be in danger of being mistreated or abandoned again.

Please visit our website to learn more about our organization. With your help, we can continue our lifesaving mission: working with other local animal advocacy groups to prevent the senseless killing of adoptable cats and dogs.

ABOUT US

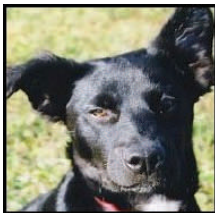

S.A.R.A is a 501c3 Non-Profit Organization based in Lane County Oregon

Our mission is to Rescue, Assist and Advocate for cats and dogs from Animal Control Shelters.

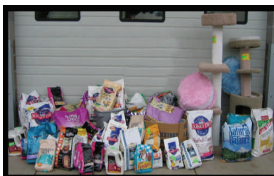

S.A.R.A. saves cats from euthanasia at animal control shelters in our area. At any given time up to 40 shelter cats and kittens are in our program being spayed/neutered, micro-chipped, vaccinated and given any necessary medical treatments to get them ready for adoption at S.A.R.A.'s Treasures.

S.A.R.A. also rescues dogs from euthanasia at animal control shelters. We transfer the dogs to rescue groups and humane societies with excellent adoption programs, or we place them in S.A.R.A. foster homes until loving, responsible, "forever" homes can be found. Dogs are treated for any medical issues, vaccinated, spayed/neutered and micro-chipped before adoption.

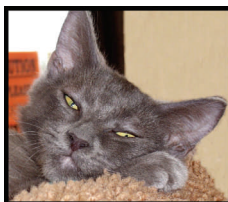

Pet food and supplies donated by Petco, Mini Pet Mart and individual supporters, are distributed to local organizations that assist low income animal caregivers.

To help manage the current pet overpopulation crisis in our community, we assist other local rescue groups with spay/neuter expenses for low income animal caregivers.
