UNWANTED (Owner Release):

- 1. Newspaper Ad:** Register Guard runs ads for pets for sale and free animal ads.
There are fees for both types of ad. Caution: owners should screen callers well as some people are dishonest and will use Kittens and puppies for reptile food, sell them to labs or use them as bait for dog fights.
- 2. Posters, Craigslist:** Caution: owners should screen callers well.
- 3. Greenhill:** People must call to get on the waiting list. They must have owned the animal for a minimum of 3 months. The wait is usually fairly long... **FEES APPLY 689-1503**
- 4. Oregon Humane:** People must call for an appointment to take their animals up to this Portland humane society. OHS has an excellent 80% adoption rate for cats!
